

ECO TRADE – Polish manufacturer of bakery and confectionery mixes

Flavour & Tradition

- We are able to increase our customer's assortment by hundreds of products thanks to our wide offer.
- If you have national products which we don't have in our catalogue, we can prepare them especially for you or modify current products.
- You can develop your own brand by distribution of our products under your logo - private label
- During cooperation your company is under the constant care of our qualified confectioners and baking technologists who carry out baking and training with us at the headquarters or at the customer's plant
- Our products meet expectation of even the most demanding customers, thanks to carefully selected compositions of ingredients. All are prepared based on traditional flavours, current trends and creativity of our employees and clients.
- We guarantee product repeatability. This issue is important in bakery & confectionery industry.
- The use of postponed baking products avoids the cost of working during the night shift
- If you are looking for healthier products without preservatives and artificial ingredients, choose our products marked with the logo "clean label"
- For people who don't eat wheat bread we offer a better options - rye bread, wholemeal bread, bread with the addition of pumpkin seeds, sunflower seeds, dried tomatoes and herbs (eg. nigella, basil) which increase nutritional value and taste.
- For people who are on a diet and want to support metabolism or with heart diseases we offer products enriched with fibre which support metabolism and help to prevent obesity, for example: bread without added flour or products from the "fit" category.
- For people who care about their look, want to lose weight and look for a healthier alternative to unhealthy sweets we offer "fit" products, low sugar & without sugar products like: whole-grain cookies, protein crackers, jelly with stevia (a natural and healthy substitute for white sugar) and many more
- For people with hypersensitivity to gluten, we offer gluten-free products
