Torun - inspiration for business

2019-03-27 19:15:06

Torun is an attractive place to start or expand your business. This is mainly due to its location, attractive economic profile and dynamic development of the city over the last few years. The presentation also includes an investment offer, in which you will find information on key investment areas

As a Business Support Centre we offer, among others :

- assistance in obtaining administrative decisions,
- comprehensive investor care,
- base of municipal real estate for sale,
- support for entrepreneurs running business activity in Toruń,
- information base on the possibilities of obtaining financial support for business start-up or development,
- promotional activities related to running a business in our city,
- cooperation with universities, business support institutions and the labour market.

If you are interested in obtaining detailed information or interested in cooperation, we are at your disposal.
