9. European Congress of Small and
Medium - Size Enterprises SMART -
SAFE - SOLUTIONS

2019-08-27 16:24:07

On October 16-18, 2019 at the International Conference Center in Katowice, will take place the largest and the most important event for small and medium entrepreneurs not only from Poland and Europe but also from around the world

For eight years the event is organized by the **Chamber of Commerce and Industry in Katowice**. Every year the event became bigger **platform for dialogue, exchange of knowledge and views as well as experience** between representatives of the business, science and local government. Building the platform for exchange is the idea of the Congress. The foundation of Congress actions is slogan: **Science - Business - Self-government - TOGETHER FOR ECONOMY** which guide us every year. The main goal of the Congress is to **show importance of small and medium sized companies for Polish economy and help them in innovations development and foreign expansion.**

During the three days of the Congress, Katowice will become **the heart of entrepreneurship**. Program of the 9 edition is very rich and includes the well-known speakers. The phrase **SMART-SAFE-SOLUTIONS** which is the main slogan of this year event and refers to the current trends. We will answer the question: „Which smart, secure and innovation solutions for SME sector can provide them stable growth and which technologies will have significant role in the European and World economy?”

The European Congress of Small and Medium-Size Enterprises will be completed by the **Business Expo Fair**, which is a unique exhibition space combined with a presentations, networking and expert zone.

The honorary patronage over the event was taken over by the **Prime Minister Mateusz Morawiecki**. A number of well-known reputable NGOs and media companies from all over the country and abroad joined the group of partners and patrons of the event.
