# Saturnus Playgrounds

2018-05-30 15:28:55

We are a group of experienced companies specializing in comprehensive customization of playgrounds and recreational and sports areas. Since 1993 we have realized over 15 000 investments across Europe

## **MISSION**

The mission of our company is to follow“ Saternus - Recreation without borders” motto. We mean no borders when it comes to age, performance, culture, and geography. We believe that this mission is the driving force behind the continuous development of our organization.

## **WHO ARE WE LOOKING FOR**

We are interested in acquiring partners globally: producers and distributors of playground equipment, architects and construction companies interested in playground devices.

## **SATERNUS**

[www.saternus.pl/en](http://www.saternus.pl/en)

## **15 000**

More than 15,000 completed investments across the country and abroad.

## **20 - 25 MLN**

Company's revenues reach PLN 20 - 25 million per year.

## **100**

Over 100 employees.

## **TECHNOLOGY**

Expanded technology park in metal and wood industries.

## **25 YEARS**

Over 25 years of experience.

## **OWN RESEARCH & DEVELOPMENT DEPARTMENT**

Continuous search for innovation and the ability to design unconventional, tailor made solutions.

### **TRADITION, EXPERIENCE AND INTEGRITY**

Human and intellectual capital, built upon nearly 25-year-long experience in small architecture market, is our highest value. Since the beginning of our brand's existence, we have always focused on the honesty in relations which is a consequence of who we are and the people with whom we work.

### **PASSION, FUN AND INTEGRATION**

We are people who live for what they do. Recreation without borders is not only our mission but, above all, the way of thinking about designing equipment for public recreational areas. We are good at what we do because we combine passion with knowledge about the safe and integrative fun.

### **QUALITY, RESPONSIBILITY AND SAFETY**

We focus on high quality of the products and services we offer as well as on the relationship with our Investors and Partners. This way, as a company, we want to be an exemplary business, not only by our implemented investments but also by an attitude which is based on competence and responsibility for the safety of the users of the solutions implemented by us.

### **DEVELOPMENT AND SEARCH FOR NEW SOLUTIONS**

As an organization, we are constantly learning and looking for modern business solutions. We know that our efforts translate into opportunities to pursue investments by our customers, which are business cards of cities, municipalities, and commercial projects.
